

# 2008 PRESEASON @ BELENJESUIT

Game #1 v. Coral Gables –  
Thursday, Feb. 7

The Barracudas opened the 2008 season playing in the Belen Pre-season tournament for the second year in a row. Taking on Coral Gables was no easy task.

The Cavaliers took advantage of some sloppy play by Coral Reef and wound up on the winning side with a score of 10-2. The Barracudas stumbled a bit with nerves as the pitching struggled and the offense was trying to find some rhythm. This is what the pre-season is for however. Unfortunately, game 2 on Saturday v. Belen was rained out after just one inning of play. The tournament did have a very exciting atmosphere as Dade County Schools got the season underway.
