## Coral Reef Barracudas DAY v. Varela 8-7 victory

Some of our most dedicated teachers came out to watch one of the most exciting games in years. The Barracudas came back from a 4-0 deficit in the first inning on the power of **Kyle Alonso's grand slam** homerun in the bottom of the inning. Tommy Bogarards doubled in the bottom of the sixth inning to drive in the winning run after the Barracudas fell behind 7-4. The victory gave the Barracudas an early 2-1 district record. The Coral Reef baseball program is extremely honored to host its annual Teacher Appreciation Day. And for the many teachers who came out later in the day and unfortunately missed our photo, we thank you as well.
