

It began as a great day at Barracuda Field on Thursday, March 27. Coral Reef was taking on district rival South Dade and the day was marked as **Parent Day** for the 2008 varsity team. Many of our supportive parents came out to continue the family oriented tradition that has come to be the true spirit of Barracuda Baseball. Despite the exuberance, Coral Reef was defeated by a tenacious South Dade team. The Barracudas took a 5-2 lead after a whirlwind 5-run 3rd inning. But the defense faltered on a few critical occasions and South Dade finished with a 9-6 victory. Coral Reef now stands at 8 wins and 7 losses.
