

The Barracudas came out on Saturday, February 10 for the Annual 100 Inning game, honoring the remembrance of a special booster and parent, **Mr. Brad Lambert**. Sheri Lambert and her son Josh (who plays on the SFT 16-Under team) got a warm welcome from the many players who participated. We also had Andy Lopez and his crew start to set up our sunshade structure above the bleachers. And, with all the baseball and fun, we witnessed the beginning of our "Patio of Pride" pavers being installed with the dedication stone being placed front center. Shortly, we will install the new canopy over the patio and complete the barbecue area. Barracuda Field is truly becoming our *"Field of Dreams."* The Barracudas wish also to thank all the folks who sponsored the event, especially the *Pincecrest Tribune* for donating our T-shirts.
