

## MARCH NEWSLETTER

I would like to thank everyone who came out on Parent Workday to assist with getting Barracuda Field ready for the spring season. The outfield fence windscreen has really enhanced the appearance of our field. We will paint our dugouts and concession stand when the season is over. Otherwise everything is in good shape

The Varsity trip to Atlanta is soon approaching. Players have been given information packets and field trip forms. Everything needs to be turned in by March 10. We also encourage any families who wish to go with the team to contact Coach Bisceglia soon if they would like to reserve a seat on the bus. Seats are limited.

Our candy sale is underway. We tried to really get out there and do a good job in order to make up for some lost revenue when we were unable to conduct our rose sale this year. So far the players and parents have done a tremendous job. We can earn over \$2000 if we sell out by March 9. Please continue to try your best.

On the topic of our Sponsorship Program (Yearbook ads- Corporate Sponsors and Coaches Committee Membership, the response has been outstanding. We did extend the deadline until March 13, hoping to generate more funds to bring us to our projected goal of \$20,000. We are about 85% there. Keep up the great work.

If you have any questions about the Sponsorship Program please contact Coach Bisceglia or Dave McDonald.

Our Mark Light Stadium concession operation has gone very smoothly. I would like to thank all those parents who have already worked, or who have volunteered to work in the future. If you have not committed to a date and would like to help out, please contact our concession coordinator, Kevin Maggiore. We should get our check for the first 11 games shortly.

Brad Lambert's 2nd Annual Barracuda 100-Inning game was a huge success. Players and parents who came out saw the real meaning of team and teamwork. I am extremely proud to be a part of such a significant event. Please check the website for our 100-Inning photo. This photo will also be featured in our yearbook.

Anyone who has joined the Coaches Committee should get their ad to Coach Bisceglia as soon as possible. Remember, Gold members receive an half of page ad, Silver and Bronze receive a quarter page. Provide any text or photographs you would like to include. Coach will also try to add an action shot of your son if possible. We have been out taking pictures of all our teams and will continue doing so. If anyone is taking pictures please copy them to a disc and give them to Coach Bisceglia. We can always use more photos for our yearbook.

Again, thanks for all you do as boosters. Our program has grown in stature and recognition because of it.

Sincerely, Coach Bisceglia
