

LOUISIANA SPRING BASEBALL TRIP
ITINERARY & INFORMATION

The Varsity team will be departing for Hammond, Louisiana on Sunday, March 28. We have chartered Endeavor Bus Lines. We have reserved rooms for players, coaches, and bus driver only. That is all I am allowed to do under school policy. However, parents can call the hotels personally and state that you are with the Coral Reef baseball contingent to secure accommodations at the same hotels.

Players will be required to pay \$100 for the trip exclusive of meals:

Meal money will be handled by Coach Bisceglia/ Each player should give Coach \$15 per day/for Monday through Sunday-**\$105/ Coach will allot \$4 for breakfast/\$5 lunch/ \$6 for dinner.** This will be kept in a team log for accountability. This is done to ensure that each player has at least a minimum for meals each day. Anything above that is at the player's and parent's discretion. We do hope to have many opportunities on the trip to eat at discounted group prices and possibly a booster paid team meal at the conclusion of the trip. Any money left over will be returned on the return trip to Miami.
